- PRE-BOARDING
- BOARDING
- ON BOARD

TRANSPORTATION FREQUENCY
 Reduced departures to allow for additional sanitization between ferry departures.

HAND SANITIZER STATIONS
 Located at key high traffic areas, staff are required to wash hands every 30 minutes.

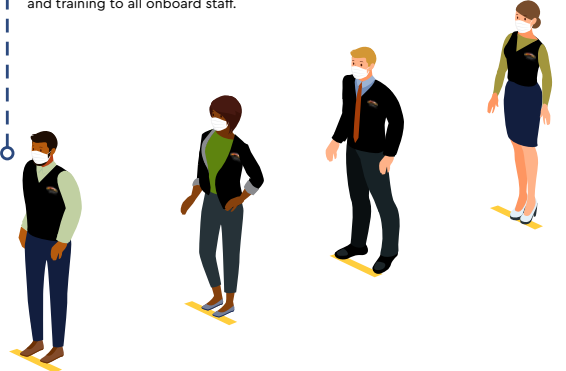

HIGH FOCUS SANITIZATION
 Increased cleaning frequency with EPA-approved products to guard against viruses like COVID-19.

AMPLE SPACE INSIDE AND OUTSIDE
 Reduced capacity with changes to the layout of seating spaces, ensuring a minimum 6-foot distance.

CONTACTLESS CHECK-IN
 Electronic delivery of tickets where possible and extended boarding times for social distancing.

EQUIPPING TEAM MEMBERS
 Providing enhanced equipment and training to all onboard staff.

HEALTH AND TEMPERATURE CHECKS
 All crew and guests are screened prior to accessing Alcatraz Island.
